NOTES:

1. The relative Statement of Material Facts pursuant to Section 102 of the Companies Act, 2013, in respect of the Special business under Item No. 4 of the Notice, is annexed hereto and forms part of this NOTICE
2. In view of the global outbreak and continuing Covid-19 pandemic, the Ministry of Corporate Affairs (MCA), Government of India, has vide its General Circular No. 14/ 2020 dated 8th April, 2020, General Circular No. 17/ 2020 dated 13th April, 2020 and General Circular No. 20/ 2020 dated 5th May, 2020 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through Video Conferencing ("VC")/ Other Audio Visual Means ("OAVM"), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("ACT") and MCA Circulars, the AGM of the Company is being held through VC/OAVM.
3. As this AGM is being held through VC/OAVM pursuant to MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members is not available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorized representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.
4. The Register of Members and Share Transfer Books of the Company will remain closed from **Saturday, the 22nd August, 2020 to Friday, the 28th August, 2020 (both days inclusive)** for determining the entitlement of the Shareholders to the Final Dividend for the financial year 2019 – 20.
5. If the Final Dividend, as recommended by the Board of Directors, is approved at the Annual General Meeting, payment of such dividend will be made after 28th August, 2020. In respect of Shares held in Physical form, dividend will be paid to beneficial owners of the Shares, whose name shall appear in the Register of Members of the Company, at the end of business hours on 21st August, 2020. In case of Electronic form, dividend will be paid to the Beneficial Owners, as per the details furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL), as at the close of business hours on 21st August, 2020.
6. Pursuant to Finance Act, 2020, dividend income will be taxable in the hands of Shareholders with effect from April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The Shareholders are requested to update their PAN with the Company / Registrar and Share Transfer Agent (in case of shares held in Physical mode) and Depository Participant (in case of shares held in Dematerialized mode).

A Resident individual Shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form 15G/H, to avail the benefit of non-deduction of tax at source by email to yuvaraj@integratedindia.in. Shareholders are requested to note that, in case their PAN is not registered, tax will be deducted at a higher rate of 20%.

Non-resident Shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents. i.e., Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to yuvaraj@integratedindia.in. The aforesaid declarations and documents should reach the said e-mail address from the Shareholders on or before 21st August, 2020.

7. Members holding Shares in dematerialized form are requested to intimate all changes pertaining to their Bank details, mandates, nominations, power of attorney, change of address, change of name, e-mail

address, contact numbers, etc., to their **Depository Participant (DP) ONLY**. Changes intimated to the DP will then be automatically reflected in the Company's records, which will help the Company and the Company's Registrars and Transfer Agents, M/s. Integrated Registry Management Services Private Limited (IRMSPL), to provide efficient and better services. Members holding Shares in physical form are requested to intimate such changes to M/s. Integrated Registry Management Services Private Limited (IRMSPL), 2nd Floor, "Kences Towers", No.1-Ramakrishna Street, North Usman Road, T.Nagar, Chennai-600 017. Tel No. 044 - 28140801 / 802 / 803.

8. Members holding Shares in physical form are requested to consider for converting their holding to dematerialized form to eliminate all risks associated with physical Shares and for ease of portfolio management. Members can contact the Company or Registrar for assistance in this regard.
9. Members holding Shares in physical form in identical order of names in more than one folio are requested to send to the Company or Registrar, the details of such folios together with the share certificates for consolidating their holding in one folio. A consolidated share certificate will be returned to such Members, after making requisite changes thereon.
10. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.
11. Members holding Shares in electronic form are requested to submit their Permanent Account Number (PAN) to their Depository Participants, with whom they maintain their demat accounts. Members holding Shares in physical form should submit their PAN to the Company.
12. Members holding Shares in single name are advised to make a nomination in the prescribed form SH-13 in respect of their shareholding in the Company. Members holding Shares, in Physical form should file their nomination(s) with the Company or the share transfer registrars (IRMSPL) and if Shares are held in Demat mode, the nomination form should be filed only with their Depository Participant.

Transfer of Unclaimed / Unpaid amounts to the Investor Education and Protection Fund (IEPF):

Pursuant to Sections 205A, 205C and other applicable provisions, if any, of the erstwhile Companies Act, 1956 and also Pursuant to Section 124 of the Companies Act, 2013, all unclaimed / unpaid dividend, as applicable, remaining unclaimed / unpaid for a period of seven years from the date they became due for payment, in relation to the Company have been transferred to the IEPF established by the Central Government. **The details of the same are displayed in the Website of the Company.**

Transfer of Equity Shares to IEPF Authority:

Pursuant to the provisions of Section 124 of the Companies Act, 2013, and IEPF Rules, as amended from time to time, all shares on which the Dividend has not been paid or claimed for seven consecutive years or more shall be transferred to the IEPF Authority, in compliance with the procedure laid down under the Rules. Members are requested to take a note of the same and claim their unclaimed dividends, if any, immediately to avoid transfer of underlying shares to IEPF Authority. The shares transferred to IEPF Authority can be claimed back by the concerned shareholders from IEPF Authority, after complying with the procedure prescribed under the "Rules".

In compliance with the aforesaid MCA Circulars, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company / Registrars / Depositories. Members may note that the Notice and Annual Report 2019-20 will also be available on the Company's website **www.tstanes.com**.

Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

Since the AGM will be held through VC / OAVM, the Route Map is not annexed to this Notice.

Voting:

All Beneficial Owners whose names are recorded in the Register of Members of the Company, as on the cut-off date, i.e., 21st August, 2020, are eligible to cast their vote, by availing the facility of remote e-voting.

E-voting:

In compliance with the provisions of Section 108 of the Companies Act, 2013, to be read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and other applicable provisions, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by National Securities Depository Limited (NSDL), on all resolutions set forth in this Notice.

The instructions for e-voting are as under:

A. In case a Member receives an e-mail from NSDL (for Members whose e-mail addresses are registered with the Company/Depositories):

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1 : Log-in to NSDL e-Voting system at <https://www.evoting.nsd.com/>

Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo:

The information pertaining to Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo as required under the Companies Act, 2013, read with Companies (Accounts) Rules, 2014, is annexed with this Report as **Annexure A**.

Related Party Transactions:

All related party transactions that were entered into during the Financial Year were on arm's length basis and were in the ordinary course of the business. During the year, the Company did not enter into any material transaction with related parties, under Section 188 of the Companies Act, 2013.

The details of the transactions with related parties are given in the Financial Statements.

Directors' Responsibility Statement:

The Directors acknowledge the responsibility for ensuring compliance with the provisions of Section 134(3)(c) read with Section 134(5) of the Companies Act, 2013, in the preparation of Financial Statements for the year ended 31st March, 2020 and hereby confirm that:

- a) In the preparation of the annual Financial Statements, the applicable accounting standards had been followed with no material departures;
- b) The Accounting policies that have been selected and applied consistently and the judgements and estimates based on them are prudent and reasonable to give a true and fair view of the state of the affairs of the Company at the end of the Financial Year and of the profit of the Company for the Financial Year;
- c) Proper and sufficient care have been taken for maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) The Financial Statements have been prepared on a going concern basis; and
- e) The Company had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Code of Conduct:

The Company has adopted a Code of Conduct for the Board of Directors and Key Managerial personnel which have been duly affirmed by them.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
T.STANES AND COMPANY LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of T.Stanes and Company Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Directors' report including annexures to Director's report, but does not include the financial statements, and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design,

implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements'
section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of T.Stanes and Company Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the criteria for internal financial control over financial reporting established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

1. Corporate Information

T. Stanes and Company Limited ("the Company") is a public company domiciled in India. The addresses of its registered office and principal place of business are disclosed in the introduction to the Annual Report. The Company is engaged in the manufacture and distribution of Agri inputs for crop protection and crop care in domestic and international markets. The Company is also in the activity of trading in Consumer and Industrial Products.

1.1 Basis of preparation and presentation

a) Statement of compliance

T. Stanes and Company Limited ("the Company") financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the section 133 of Companies Act 2013, Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as applicable.

Except for the changes below, the company has consistently applied accounting policies to all periods.

1. The company adopted Ind AS 116 'leases' with the date of initial application being April 1, 2019. Ind AS 116 replaces Ind AS 17 - Leases and related interpretation guidance. The standard sets out principles for recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The Company has evaluated the effect of this amendment on the financial statements and concluded that the impact is not material. As a result, the comparative information has not been restated.
2. **Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments:** On March 30, 2019, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2019 containing Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments which clarifies the application and measurement requirements in Ind AS 12 when there is uncertainty over income tax treatments. The current and deferred tax asset or liability shall be recognized and measured by applying the requirements in Ind AS 12 based on the taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates determined by applying this appendix. The amendment is effective from April 1, 2019. The Company has evaluated the effect of this amendment on the financial statements and concluded that there is no significant impact.
3. **Amendment to Ind AS 19 'Employee Benefits':** On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 19 'Employee Benefits' in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. The amendment is effective from April 1, 2019. The Company has evaluated the effect of this amendment on the financial statements and concluded that this amendment is currently not applicable.
4. **Amendment to Ind AS 12 'Income Taxes':** On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 12 'Income Taxes'. The amendments require an entity to recognise the income tax consequences of dividends as defined in Ind AS 109 when it recognises a liability to pay a dividend. The income tax consequences of dividends are linked more directly to past transactions or events that generated distributable profits than to distributions to owners. Therefore, an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive

income or equity according to where the entity originally recognised those past transactions or events. The amendment is effective from April 1, 2019. The Company has evaluated the effect of this amendment on the financial statements and concluded that there is no significant impact.

b) Basis of measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these standalone financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2 Significant Accounting Policies

2.1 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) on the date of the financial statements and the reported amounts of revenues and expenses for the period reported. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialised.

Key source of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of useful lives of property, plant and equipment, valuation of deferred tax, provisions and contingent liabilities.

2.2 Cash and cash equivalents (for purpose of cash flow statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.3 Cash flow statement

Cash flow statement has been prepared in accordance with the indirect method where by Profit / (Loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

2.4 Property, plant and equipment

Property, plant and equipment are stated at cost. Cost includes freight, duties, related taxes and other incidental expenses relating to acquisition and installation.

Property, plant and equipment are stated at the cost of acquisition or construction less accumulated depreciation and write down for, impairment if any. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit or loss.

2.5 Investment property

Investment Properties are properties held to earn rentals and / or for capital appreciation (including property under construction for such purposes).

Investment properties are measured initially at cost including transaction cost, subsequent to initial recognition investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The investment property is measured in accordance with Ind AS 16 requirements for cost model. However the fair value of investment property is disclosed in the notes.

An investment property is de-recognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefit are expected from the disposal. Any gain or loss arising out of the de-recognition of the property is included in the Statement of profit / loss in the period in which the property is de-recognised.

2.6 Impairment of assets

The Company assesses at each Balance sheet date the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the Company estimates the recoverable amount of the asset in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit which the asset belongs to, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance sheet date there is any indication that the previously assessed impairment loss no longer exists, the asset is reassessed to reflect the recoverable amount subject to a maximum of depreciable historical cost.

2.7 Inventories

Raw materials, finished goods and trading stock are valued at lower of cost (identified direct overheads where ever applicable) and net realizable value. Cost is determined using moving average method. Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost is necessary to make the sale. Stores and spare parts are valued at average cost. Due allowance is made for slow/non-moving items, based on Management estimates.

2.8 Revenue recognition

Revenue from sale of goods is recognised on transfer of property in goods and the amount of revenue can be measured reliably, regardless of when the payment is being made and where it is probable that economic benefits

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

will flow to the Company and there is neither continuing managerial involvement nor effective control over the goods sold. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

Goods and Service Tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity sold by the seller on behalf of the Government. Accordingly, it is excluded from revenue.

Revenues from sale of goods and services are shown as net of applicable discounts and other rebates/ schemes incentives to dealers. Agency commission on consignment sales are accounted and recognised on net basis taking into account contractually defined terms of payment and on receipt of commercial invoices from principals. Interest income is accounted on accrual basis. Dividend income is accounted for when the shareholder's right to receive the payment has been established.

2.9 Employee benefits

I. Defined contribution plans:

Contributions to defined contribution plans are recognised as an expense when employees have rendered services entitling them to contributions:

- i) In respect of provident fund, when payments are due to the Regional Provident Fund Commissioner.
- ii) Eligible employees, as per the company's superannuation scheme, are entitled to receive retirement benefits and contributions are made annually as per the rules of the scheme to the Life Insurance Corporation through approved superannuation trust.
- iii) In respect of eligible employees, contributions are remitted to the Employees State Insurance Corporation.

There are no obligations other than the above.

II. Defined benefit obligations

- i) Provisions for gratuity and compensated absences are defined benefit obligations and are provided for, on actuarial valuation under the Projected Unit Cost method at the end of each financial year. The obligations are measured at the present value of estimated future cash flows discounted at rates reflecting the prevailing market yields of Government securities as at the Balance sheet date. The Company recognises the net obligation of a defined benefit plan in its Balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognised in 'Other comprehensive income'. In accordance with Ind AS 19, re-measurement gains and losses on defined benefit plans recognised in OCI are not to be subsequently reclassified to the Statement of profit or loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.
- ii) Compensated absences are paid to eligible employees upon retirement.

2.10 Leases

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there

2.10 Leases — (Contd.)

is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight line basis in the Statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

2.11 Depreciation

Depreciable amount for Property, plant and equipment is the cost of an asset or other amount substituted for cost, less its estimated residual value. Depreciation on Property, plant and equipment is provided on straight line method. Depreciation has been charged in accordance with the estimated useful lives as stated in Part C of Schedule II to the Companies Act 2013.

Additions to property, plant and equipment costing less than ₹ 5000 are fully depreciated in the year of acquisition, as in the opinion of the Management the useful life of such assets is estimated to be less than one year.

Depreciation is provided on a pro-rata basis from the date the assets are put to use during the financial year. In respect of assets sold or disposed off during the year, depreciation is provided up to the date of sale or disposal of assets.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.12 Business segments

The company is engaged in the business of Agri inputs and in Consumer and Industrial products. These in context of Ind AS 108 on Segment reporting are considered to constitute the business segments.

2.13 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in the Statement of profit and loss in the period in which they are incurred. Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

2.14 Taxation

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

2.14 Taxation — (Contd.)

- i) Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted at the Balance sheet date.
- ii) Deferred income tax is recognised using the Balance sheet approach, deferred tax is recognised on temporary differences at the Balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each Balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the Balance sheet date.

Current and deferred tax are recognised in the Statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

2.15 Provisions and contingent liabilities

A provision is recognised when an enterprise has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each Balance sheet date.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

2.16 Foreign currencies

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Foreign currency monetary items of the Company outstanding at the Balance sheet date are restated at year end exchange rates. Exchange differences arising on settlement/restatement of foreign currency monetary assets and liabilities of the Company are recognised as other income or other expense in the Statement of Profit and Loss.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

2.17 Investments — (Contd.)

Investments in subsidiaries and associates are stated at cost inclusive of brokerage and stamp duty. Diminution in their market value, if considered temporary in nature is not recognised. The carrying values of such investments are considered as 'deemed cost'. There are very few unquoted equity investments in other companies which are also considered at cost as they are of very insignificant value (materiality). Investments in quoted equity instrument are initially recognised at cost as per the previous GAAP which are subsequently measured at fair value as per the Ind AS requirements and the corresponding gains and losses arising from changes in fair value recognised in the OCI.

2.18 Research and Development

Product research and development cost is charged to the Statement of profit or loss. Capital expenses on Research & Development are included in Property, plant and equipment under appropriate heads.

2.19 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been arrived at, assuming that the proceeds receivable were based on shares having been issued at the average market value of the outstanding shares. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase loss per share, are included.

2.20 Cash dividend to equity holders of the Company

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Note 34 : As the world faces one of its biggest challenge caused by the COVID-19 related disruptions, the agriculture sector remains relatively insular from demand point of view though it had to face some issues related to non-availability of labour and supply chain disruptions. The country wide lock-down enforced from 25 March 2020 had temporarily impacted the Company's operations. Due to the pro-active steps taken by the Government in supporting the farming community, production, distribution of Agri inputs largely remain un-affected. All the major manufacturing units and branches of the Company have resumed operations and are adhering to strict safety measures and Government guidelines. Though the COVID 19 related uncertainties persist, with good reservoir levels and normal monsoon predictions, impact of the pandemic on Indian agriculture is expected to be minimal.

The Company has considered the possible effects that may result from the pandemic on the carrying amounts of property, plant and equipment, investments, inventories, receivables and other current assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial results has used relevant information in determining the expected future performance of the Company. The Company has evaluated its liquidity position, recoverability of such assets and based on current estimates expects the carrying amount of these assets will be recovered. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

NOTE 40 : SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company's Financial Statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the Financial Statements.

Operating lease commitments – Company as lessor

The Company has entered into commercial property leases on its investment property portfolio. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the commercial property and the fair value of the asset, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the Financial Statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Property, Plant and Equipment and Investment Property

Property The Company has estimated the useful life of Property, Plant and equipment and Investment Property as per the useful life prescribed in Schedule II of the Companies Act, 2013.

Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment leave encashment benefit and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Further details about defined benefit obligations are given in Note 41.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Note 45: FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise of trade payables. The Company has various financial assets such as trade receivables and cash and short-term deposits, which arise directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a Risk Management Committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The Risk Management Committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

A. MARKET RISK

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

Foreign currency exchange rate risk

The fluctuation in foreign currency exchange rates may have potential impact on the income statement and equity, where any transaction references more than one currency.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

B. CREDIT RISK

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. Financial instruments that are subject to concentrations of credit risk, principally consist of trade receivables and loans and advances. None of the financial instruments of the Company result in material concentrations of credit risks. Customer credit risk is managed by the Company subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. As at 31 March 2020, the Company has Nil customers (31 March 2019: Nil customers), the receivables from whom exceeds 5% of total receivables outstanding. Credit risk from balances with banks and investment of surplus funds in bank deposits is managed by the Company's treasury department. The objective is to minimise the concentration of risks and therefore mitigate financial loss.

C. LIQUIDITY RISK

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company invests its surplus funds in bank fixed deposit, which carry no/low mark to market risks.

D. CAPITAL MANAGEMENT

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF T. STANES AND COMPANY LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of T. Stanes and Company Limited ("the Parent") and its subsidiaries, (the Parent and its subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2020, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The other information comprises the information included in the Director's report including the annexures to the Director's report, but does not include the consolidated financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of consolidated financial statements, our responsibility is to read other information, compare with the consolidated financial statements and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books, returns and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Parents on March 31, 2020 taken on record by the Board of Directors of the Company and subsidiary companies incorporated in India, none of the directors of the Group companies, incorporated in India is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent and subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group,
 - ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent and its subsidiary companies incorporated in India.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the T. Stanes and Company Limited (hereinafter referred to as "Parent") as of and for the year ended 31 March, 2020, we have audited the internal financial controls over financial reporting of which includes internal financial controls over financial reporting of the Parent and its subsidiaries, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent and its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent and its subsidiaries, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its subsidiaries which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us the Parent and its subsidiaries, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

4. Corporate Information

T-Stanes and Company Limited ("the Parent Company") is a public company domiciled in India. The company is engaged in the manufacture and distribution of Agri inputs for crop protection and crop care in domestic and international markets. The Company is also in the activity of trading in Consumer and Industrial Products.

Stanes Motors (South India) Limited is 100% wholly owned subsidiary of the Parent Company which is engaged in Trading of Automobile Parts and accessories and Servicing. Stanes Amalgamated Estates Limited is engaged in the manufacturing of Tea and has become subsidiary of the Parent Company with effect from January 25, 2019, The Parent Company together with its subsidiaries is hereinafter referred to as the "Group".

1.1 Basis of preparation and presentation

a) Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the section 133 of Companies Act 2013, the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as applicable.

Except for the changes below, the company has consistently applied accounting policies to all periods.

1. The company adopted Ind AS 116 'leases' with the date of initial application being April 1, 2019. Ind AS 116 replaces Ind AS 17 - Leases and related interpretation guidance. The standard sets out principles for recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The Company has evaluated the effect of this amendment on the financial statements and concluded that the impact is not material. As a result, the comparative information has not been restated.
2. Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments: On March 30, 2019, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2019 containing Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments which clarifies the application and measurement requirements in Ind AS 12 when there is uncertainty over income tax treatments. The current and deferred tax asset or liability shall be recognized and measured by applying the requirements in Ind AS 12 based on the taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates determined by applying this appendix. The amendment is effective from April 1, 2019. The Company has evaluated the effect of this amendment on the financial statements and concluded that there is no significant impact.
3. Amendment to Ind AS 19 'Employee Benefits': On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 19 'Employee Benefits' in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. The amendment is effective from April 1, 2019. The Company has evaluated the effect of this amendment on the financial statements and concluded that this amendment is currently not applicable.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS — (Contd.)

4. Amendment to Ind AS 12 'Income Taxes': On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 12 'Income Taxes'. The amendments require an entity to recognise the income tax consequences of dividends as defined in Ind AS 109 when it recognises a liability to pay a dividend. The income tax consequences of dividends are linked more directly to past transactions or events that generated distributable profits than to distributions to owners. Therefore, an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The amendment is effective from April 1, 2019. The Company has evaluated the effect of this amendment on the financial statements and concluded that there is no significant impact.

b) Principles of consolidation

Subsidiaries

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company (its subsidiaries). Control exists when the parent has power over an investee, exposure or rights to variable returns from its involvement with the investee and ability to use its power to affect those returns. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases. The financial statements of subsidiaries are consolidated on a line-by-line basis and intra-group balances and transactions including un-realized gain/ loss from such transactions are eliminated upon consolidation. The financial statements are prepared by applying uniform policies in use at the Group.

Associate

Associates are all entities over which the Company has significant influence but not control or joint control. This is generally the case where the Company holds between 20% and 50% of the voting rights. Investment in associates are accounted for using the equity method of accounting after initially being recognised at cost.

c) Basis of measurement

The Group's financial statements have been prepared on the historical cost basis, except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these consolidated financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the

degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2 Significant Accounting Policies

2.1 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) on the date of the financial statements and the reported amounts of revenues and expenses for the period reported. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialised.

Key source of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of useful lives of property, plant and equipment, valuation of deferred tax, provisions and contingent liabilities.

2.2 Cash and cash equivalents (for purpose of cash flow statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.3 Cash flow statement

Cash flow statement has been prepared in accordance with the indirect method where by Profit / (Loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.4 Property, plant and equipment

Property, plant and equipment are stated at cost. Cost includes freight, duties, related taxes and other incidental expenses relating to acquisition and installation. Capital work-in-progress represents cost of fixed assets that are not yet ready for their intended use.

Property, plant and equipment are stated at the cost of acquisition or construction less accumulated depreciation and write down for, impairment if any. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS — (Contd.)

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement profit or loss.

2.5 Investment Property

Investment Properties are properties held to earn rentals and / or for capital appreciation (including property under construction for such purposes).

Investment properties are measured initially at cost including transaction cost, subsequent to initial recognition investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The investment property is measured in accordance with Ind AS 16 requirements for cost model. However the fair value of investment property is disclosed in the notes.

An investment property is de-recognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefit are expected from the disposal. Any gain or loss arising out of the de-recognition of the property is included in the statement of profit / loss in the period in which the property is de-recognised.

2.6 Impairment of assets

The Group assesses at each balance sheet date the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the Company estimates the recoverable amount of the asset in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit which the asset belongs to, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is any indication that the previously assessed impairment loss no longer exists, the asset is reassessed to reflect the recoverable amount subject to a maximum of depreciable historical cost.

2.7 Inventories

Raw materials, finished goods and trading stock are valued at lower of cost (identified direct overheads where ever applicable) and net realizable value. Cost is determined using moving average method. Net realisable value is the estimates selling price in the ordinary course of business, less estimated cost necessary to make the sale. Stores and spare parts are valued at average cost. Due allowance is made for slow/non-moving items, based on Management estimates.

2.8 Revenue recognition

Revenue from sale of goods is recognised on transfer of property in goods and the amount of revenue can be measured reliably, regardless of when the payment is being made and where it is probable that economic

benefits will flow to the Company and there is neither continuing managerial involvement nor effective control over the goods sold. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

Goods and Service Tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity sold by the seller on behalf of the government. Accordingly, it is excluded from revenue.

Revenues from sale of goods and services are shown as net of applicable discounts and other rebates/schemes incentives to dealers. Revenue from sale of services is recognised when the services are rendered and related costs are incurred. Agency commission on consignment sales are accounted and recognised on net basis taking into account contractually defined terms of payment and on receipt of commercial invoices from principals. Interest income is accounted on accrual basis. Dividend income is accounted for when the shareholder's right to receive the payment has been established.

2.9 Employee benefits

I. Defined contribution plans:

Contributions to defined contribution plans are recognised as an expense when employees have rendered services entitling them to contributions:

- (i) In respect of provident fund, when payments are due to the Regional Provident Fund Commissioner.
- (ii) Eligible employees, as per the company's superannuation scheme, are entitled to receive retirement benefits and contributions are made annually as per the rules of the scheme to the Life Insurance Corporation through approved superannuation trust.
- (iii) In respect of eligible employees, contributions are remitted to the Employees State Insurance Corporation.

There are no obligations other than the above.

II. Defined benefit obligations

- (i) Provisions for gratuity and leave encashment are defined benefit obligations and are provided for, on actuarial valuation under the Projected Unit Cost method at the end of each financial year. The obligations are measured at the present value of estimated future cash flows discounted at rates reflecting the prevailing market yields of government securities as at the balance sheet date. The Company recognises the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognised in 'Other comprehensive income'. In accordance with Ind AS 19, re-measurement gains and losses on defined benefit plans recognised in OCI are not to be subsequently reclassified to Statement of profit or loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.
- (ii) Leave encashment is paid to eligible employees upon retirement.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS — (Contd.)

2.10 Leases

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

2.11 Depreciation

Depreciable amount for Property, plant and equipment is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on Property, plant and equipment is provided on straight line method. Depreciation has been charged in accordance with the estimated useful lives as stated in Part C of Schedule II to the Companies Act 2013.

Additions to property plant and equipment costing less than ₹ 5000 are fully depreciated in the year of acquisition, as in the opinion of the Management the useful life of such assets is estimated to be less than one year.

Depreciation is provided on a pro-rata basis from the date the assets are put to use during the financial year. In respect of assets sold or disposed off during the year, depreciation is provided up to the date of sale or disposal of assets.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.12 Business Segments

The Group is engaged in the business of Agri inputs, Consumer and Industrial products, Manufacture of Tea and traded in automobiles. These in context of Ind AS 108 on Segment reporting are considered to constitute the business segments.

2.13 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in Statement of profit and loss in the period in which they are incurred. Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

2.14 Taxation

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year.

- (i) Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted at the balance sheet date.
- (ii) Deferred income tax is recognised using the balance sheet approach, deferred tax is recognised on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS — (Contd.)

Current and deferred tax are recognised in Statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

2.15 Provisions and contingent liabilities

A provision is recognised when an enterprise has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

2.16 Foreign currencies

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Foreign currency monetary items of the Company outstanding at the balance sheet date are restated at year end exchange rates. Exchange differences arising on settlement/restatement of foreign currency monetary assets and liabilities of the Company are recognised as other income or other expense in the Statement of Profit and Loss.

2.17 Investments

Investments are stated at cost inclusive of brokerage and stamp duty. Diminution in their market value, if considered temporary in nature is not recognised. The carrying values of such investments are considered as 'deemed cost'. There are very few unquoted equity investments in other companies which are also considered at cost as they are of very insignificant value (materiality). Investments in quoted equity instrument are initially recognised at cost as per the previous GAAP which are subsequently measured at fair value as per the Ind AS requirements and the corresponding gain and losses arising from changes in fair value recognised in the OCI.

The Company has selected to continue with the carrying value of its Investments in Subsidiaries, and Associates, recognised as of 1st April 2015, measured as per the previous GAAP and use that carrying value as it's deemed cost as of the transition date.

2.18 Research and Development

Product research and development cost is charged to Statement of profit or loss. Capital expenses on Research & Development are included in Property, plant and equipment under appropriate heads.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS — (Contd.)

2.19 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been arrived at, assuming that the proceeds receivable were based on shares having been issued at the average market value of the outstanding shares. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase loss per share, are included.

2.20 Cash dividend to equity holders of the company

The Group recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

T. STANES AND COMPANY LIMITED

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

NOTE 37:- SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS.

The preparation of the Company's Financial Statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the Financial Statements:

Operating lease commitments – Company as lessor

The Company has entered into commercial property leases on its investment property portfolio. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the commercial property and the fair value of the asset, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the Financial Statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Property, Plant and Equipment and Investment Property

The Company has estimated the useful life of Property, Plant and equipment and Investment Property as per the useful life prescribed in Schedule II of the Companies act 2013.

Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment leave encashment benefit and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Further details about defined benefit obligations are given in Note 38.

Note 38 :- EMPLOYEE BENEFITS PLANS — (Contd.)

- i) The estimates of future salary increases considered in the actuarial valuation take account of inflation seniority promotion and other relevant factors such as supply and demand in the employment market. The above information is actuarially determined upon which reliance is placed by the auditors.
- ii) The details of experience adjustments arising on account of plan assets and plan liabilities on employee benefits are not readily available in the actuarial valuation report and hence not furnished.
- iii) The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

** The details with respect to the composition of investments in the plan assets managed by LIC have not been disclosed in the absence of the above said information.

Depending on age LIC(2006-08) ultimate

These plans typically expose the Company to actuarial risk such as interest rate risk, longevity risk and salary risk.

Interest Rate Risk: A decrease in the bond interest rate will increase the plan liability.

Longevity Risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The management assessed that cash and cash equivalents, trade receivables, other financial assets, trade payables, current borrowings and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Note 42 :- FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise of trade payables. The Company has various financial assets such as trade receivables and cash and short-term deposits, which arise directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a Risk Management Committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The Risk Management Committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

A. MARKET RISK

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

Foreign currency exchange rate risk

The fluctuation in foreign currency exchange rates may have potential impact on the income statement and equity, where any transaction references more than one currency.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

B. CREDIT RISK

Credit risk is the risk of financial loss arising from counter party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

Financial instruments that are subject to concentrations of credit risk, principally consist of trade receivables and loans and advances. None of the financial instruments of the Company result in material concentrations of credit risks.

Customer credit risk is managed by the Company subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. As at 31 March 2020, the Company has Nil customers (31 March 2019: Nil customers), the receivables from whom exceeds 5% of total receivables outstanding.

Credit risk from balances with banks and investment of surplus funds in bank deposits is managed by the Company's treasury department. The objective is to minimise the concentration of risks and therefore mitigate financial loss."

C. LIQUIDITY RISK

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company invests its surplus funds in bank fixed deposit, which carry no/low mark to market risks.

D. CAPITAL MANAGEMENT

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.
