4. The Company has enabled the Members to participate at the 61st AGM through the VC facility provided by Central Depository Services Limited, ("CDSL"). The instructions for participation in the 61st Annual General Meeting through VC/OAVM Facility and e-Voting during the said Annual General Meeting by the Members are given in the subsequent paragraphs. Participation at the AGM through VC shall be allowed on a first-come-first-served basis.
5. As per the applicable provisions read with the MCA/SEBI Circulars as aforesaid, members attending the 61st AGM through VC shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. The Company has provided the facility to Members to exercise their right to vote by electronic means both through remote e-voting and e-voting during the AGM. The process of remote e-voting with necessary user id and password is given in the subsequent paragraphs. Such remote e-voting facility is in addition to voting that will take place at the 61st AGM being held through VC.

7. Members joining the meeting through VC shall be able to exercise their right to vote through e-voting at the AGM if they have not opted for remote e-voting. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC but shall not be entitled to cast their vote again.
8. The Company has appointed Mr. Ashutosh Kumar Pandey, Practicing Company Secretary, to act as the Scrutinizer, to scrutinize the e-voting process in a fair and transparent manner.
9. Corporate Members are requested send a certified copy of the Board resolution authorizing their representative to attend the AGM through VC and vote on their behalf at oakeymohan@gmail.com. Institutional investors are encouraged to attend and vote at the meeting through VC.
10. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
11. The Register of Members and Share Transfer books will remain closed from Sunday, 24th September 2023 to Saturday, 30th September 2023 (both days inclusive).
12. In line with the MCA Circulars, the notice of the 61st AGM along with the Annual Report 2022-23 are being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories. Members may please note that this Notice and Annual Report for the year 2022-23 will also be available on the Company's website at <https://www.oakeymohan.in/investors.html>, websites of the Stock Exchange i.e. MSE at <https://www.msei.in> and on the website of CDSL at <https://www.evotingindia.com> (Notice of AGM only).
13. Members who have not registered their e-mail address are requested to register the same in respect of shares held in electronic form with the Depository through their Depository Participant(s) and in respect of shares held in physical form by writing to the Company's Registrar and Share Transfer Agent, BEETAL Financial & Computer Services Pvt Ltd. Members may note that pursuant to the General Circular No. 20/2020 dated May 5, 2020 read with General Circular Nos. 10/2022 dated December 28, 2022 issued by the MCA, the Company has enabled a process for the limited purpose of receiving the company's annual report and notice for the Annual General Meeting (including remote e-voting instructions) electronically, and Members may temporarily update their email address by writing to RTA of the company or alternatively they may also write to the company secretary of the company at oakeymohan@gmail.com
14. The Details of Director seeking appointment/re-appointment at the 61st AGM are provided in Annexure A of this Notice. The Company has received the requisite consents/declarations for the appointment/re-appointment under the Companies Act, 2013, and the rules made thereunder.
15. Members who hold shares in dematerialized form and want to provide/change/correct the bank account details should send the same immediately to their concerned Depository Participant and not to the Company. Members are also requested to give the MICR Code of their bank to their Depository Participants. The Company will not entertain any direct request from such Members for change of address, transposition of names, deletion of name of deceased joint holder and change in the bank account details. While making payment of Dividend, the Registrar and Share Transfer Agent is obliged to use only the data provided by the Depositories, in case of such dematerialized shares.
16. Members who are holding shares in physical form are advised to submit particulars of their bank account, viz. name and address of the branch of the bank, MICR code of the branch, type of account and account number to our Registrar and Share Transfer Agent, BEETAL Financial & Computer Services Pvt Ltd., BEETAL HOUSE, 3rd Floor, 99, Madangir, Behind LSC, New Delhi-110062, Ph.-011-29961281-283, 26051061, 26051064, Fax 011-29961284.
17. Members who are holding shares in physical form in identical order of names in more than one folio are requested to send to the Company or its Registrar and Share Transfer Agent the details of such folios together with the share certificates for consolidating their holding in one folio. The share certificates will be returned to the Members after making requisite changes, thereon. Members are requested to use the share transfer form SH-4 for this purpose.
18. In accordance with the proviso to Regulation 40(1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, effective from April 1, 2019, transfers of securities of the Company shall not be processed unless the securities are held in the dematerialized form with a depository. Accordingly, shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them and participate in corporate actions.
19. Non-resident Indian shareholders, if any, are requested to inform about the following immediately to the Company or its Registrar and Share Transfer Agent or the concerned Depository Participant, as the case may be:-a) the change in the residential status on return to India for permanent settlement, and b) the particulars of the NRE account with a Bank in India, if not furnished earlier.
20. Members who wish to claim Dividends, matured deposits and interest thereon which remain unclaimed, are requested to either correspond with the Corporate Secretarial Department at the Company's registered office or the Company's Registrar and Share Transfer Agent (BEETAL Financial & Computer Services Pvt Ltd.) for revalidation and encashment before the due dates. The details of such unclaimed dividends/matured deposit and interest thereon are available on the Company's website at www.oakeymohan.in. Members are requested to note that the dividend/ matured deposits and interest thereon remaining unclaimed for a continuous period of seven years from the date of transfer to the Company's Unpaid Dividend Account shall be transferred to the Investor Education and Protection Fund (IEPF). In addition, all shares in respect of which

dividend has not been paid or claimed for seven consecutive years or more shall be transferred by the Company to demat account of the IEPF Authority within a period of thirty days of such shares becoming due to be transferred to the IEPF. In the event of transfer of shares and the unclaimed dividends to IEPF, Members are entitled to claim the same from the IEPF authority by submitting an online application in the prescribed Form IEPF-5 available on the website <http://www.iepf.gov.in/> and sending a physical copy of the same duly signed to the Company along with the requisite documents enumerated in Form IEPF-5. Members can file only one consolidated claim in a financial year as per the IEPF Rules.

21. Pursuant to the Rule 5(8) of the Investor Education and Protection Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the Company is to upload details of unpaid and unclaimed amounts lying with the Company as on the date of last Annual General Meeting on its website at <https://www.oakeymohan.in> and also on the website of the Ministry of Corporate Affairs.
22. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. The Nomination Form SH-13 prescribed by the Government can be obtained from the Registrar and Share Transfer Agent or the Secretarial Department of the Company at its registered office.
23. The following documents will be available for inspection by the Members electronically during the 61st AGM. Members seeking to inspect such documents can send an email to oakeymohan@gmail.com
 - a) Certificate from the Statutory Auditors/Secretarial Auditor relating to the compliance as per SEBI (LODR) 2015.
 - b) Register of Directors and Key Managerial Personnel and their shareholding, and the Register of Contracts or Arrangements in which the Directors are interested, maintained under the Companies Act, 2013.
24. In case of any queries regarding the Annual Report, the Members may write to oakeymohan@gmail.com to receive an email response.
25. As the 61st AGM is being held through VC and hence, the route map is not annexed to this Notice.
26. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN details to the RTA/Company.
27. Members are requested to intimate to the Company queries, if any, regarding Accounts/Notice at least 7 days before the Meeting at its Registered Office address to enable the Management to keep the information ready at the meeting.
28. Your company is offering e-voting facility to all shareholders of the company and accordingly it has entered into an agreement with CDSL for participation in the 61st AGM through VC/OAVM Facility, remote voting and e-Voting during the 61st AGM with a view to enable the shareholders to cast their vote electronically.
29. The e-voting will commence on Wednesday, 27th September 2023 (10:00 AM) and ends on Friday, 29th September, 2023 (5:00 PM.) IST. The cut-off date for the purpose of e-voting is Saturday, the 23rd day of September 2023. Please read the instructions for e-voting given herein below before exercising your vote electronically.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

1. The voting period begins on Wednesday, the 27th September 2023 at 10.00 am IST and ends on Friday, the 29th September 2023 at 5.00 pm., IST. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the "cut-off date" i.e., Saturday, September 23rd 2023, may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter.
2. Shareholders who already have voted prior to the meeting date would not be entitled to vote at the meeting venue.
3. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

4. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

INTERNAL CONTROL SYSTEM

This Forms an integral part of the Management Discussion and Analysis Report.

RISK MANAGEMENT POLICY

Company's Risk Management Framework is designed to help the organization to meet its objective through alignment of the operating controls to the mission and vision of the company. The Board of the Company has an established risk management process with a view to frame, implement and monitor the risk management plan for the Company. The risk management process is meant for reviewing the risk management plan and ensuring its effectiveness including but not limited to the financial risks and controls. The process strives to ensure a holistic, mutually exclusive and collectively exhaustive, allocation of risks by

identifying risks relating to key areas such as operational, regulatory, business and commercial, financial, people, etc. Using this framework, we aim to achieve key business objectives, both in the long term and short term, while maintaining a competitive advantage.

A standard 3-step approach has been defined for risk management -

- 1) Risk Identification
- 2) Risk Assessment & Prioritization and
- 3) Risk Mitigation

Following review mechanism is in place for periodic review of the compliance to the risk policy and tracking of mitigation plans:

- Review compliance to Risk Policy, resolve bottlenecks to mitigate risk. Advise the board on risk tolerance and appetite.
- Prioritise risk from stations / departments, track mitigation plan and escalate to steering committee; prepare steering committee document and coordinate meeting.
- Review and update risk list; track mitigation plan and share status update with Board every month.

Once risks have been prioritized, comprehensive mitigation strategies are defined for each of the prioritized risks. These strategies take into account potential causes of the risk and outline leading risk mitigation practices. In order to ensure the efficacy of this approach, a robust governance structure has also been set in place. Clear roles and responsibilities have been defined at each level of management.

All associated frameworks (risk categorization & identification); guidelines & practices (risk assessment, prioritization and mitigation) and governance structure have been detailed out in the “Risk Management Process” and approved by the Board.

To further strengthen the risk management processes, the Board of the Company has, during the year, reviewed its process so as to ensure complete safeguard and risk mitigation.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENT

Coated abrasives are the abrasive products manufactured by gluing synthetic and natural abrasive grains such as aluminum oxide, silicon carbide, zirconia alumina, emery and garnet. These abrasive grains are supported by materials such as paper, cloth, fiber and polyester film. Coated abrasives are manufactured in the form of jumbo rolls, which are then cut into various shapes that include belts, discs, sheets and rolls for polishing and surface-treatment applications.

Coated abrasives are used to grind, scour, clean, abrade or remove solid material by rubbing action or by impact. Coated abrasives market is the second-largest market for abrasives products and is expected to record a strong growth in the near future. Growing demand for coated abrasives from several industries, such as the welding, furniture, jewelry, automotive, foundry and do-it-yourself markets, is expected to drive the coated abrasives market across the globe.

The coated abrasive products find applications in several industries such as auto OEM, auto ancillaries, general engineering, fabrication, furniture and flooring among others. The use of coated abrasives in abrasion applications is rapidly increasing as their use results in better surface finishes with higher productivity. Owing to such striking benefits, majority of the industrial abrasive users consider coated abrasive as a better option over their counterparts.

The higher productivity offered by the coated abrasive systems is anticipated to drive the demand for coated abrasive products in the coming years. Due to the rising popularity of coated abrasives, the manufacturers of cutting tools are designing and developing equipment and machines suitable for coated abrasive systems. Apart from the conventional products, the manufactures of coated abrasive products are focusing their attention on recently introduced products such as nonwoven fabric abrasives, flexible belts, seeded gel abrasives, polyester backed abrasives and wide belts. These recently developed products are expected to provide lucrative opportunities for the manufacturers of coated abrasives in the next few years.

In terms of percentage, Rest of the World (RoW), which comprises South America, Africa and the Middle East, accounts for a single digit share in the global coated abrasives. However, growing demand from the Middle East and African countries along with Latin American nations is predicted to drive the coated abrasives market in the RoW region in the coming years.

The global abrasives market is segmented based on region. Asia Pacific represents the largest and the fastest growing market for the abrasives industry and China is the largest producer of abrasive materials and abrasive products.

KEY OPPORTUNITIES

- The growing demand for various types of abrasives from transportation, building & construction and other durable goods industries is expected to drive the Asia Pacific abrasives market in the near future. Europe was the second largest market for abrasives followed by North America and Rest of World. Asia Pacific is expected to be the most attractive market for abrasives in the future. Europe and North America are expected to exhibit sluggish growth as compared to Asia Pacific and Rest of World.
- Asia Pacific is the largest regional market for coated abrasives and accounts for almost half of the global market. Growing demand from developing nations in Asia, especially China and India, is expected to drive the demand for coated abrasives in the Asia Pacific market.
- The rapid growth in industries such as automotive, machinery and fabrication in Asia is anticipated to drive the Asia Pacific market for coated abrasives in the next six years. Asia Pacific is followed by North America and Europe in the global coated abrasives market.
- India is the second largest populated country in the world and is expected to see its population expand from 1.2 billion people currently to 1.5 billion people in 2026. This will result in an increase in the industry as a whole and is expected to grow demand for all kinds of abrasive products.

THREATS & CHALLENGES

The major challenge today for Indian abrasive Sector is that on one hand it is poised for growth and better standards of amenities and on the other hand there exist poor infrastructure, demand-supply, geographical accessibility and availability of cheaper funds etc.

There has been arisen in the number of corporate groups with heavy pockets foraying into this sector through green field activities, JVs and acquisitions. Some of the major companies operating in the global coated abrasives market are Saint-Gobain Abrasives, 3M, Robert Bosch GmbH, DuPont, Cabot Microelectronics Corp., Hermes Abrasives Ltd., VSM

Abrasives Corp., Henkel AG & Co. KGaA, Asahi Diamond Industrial Co., Ltd., Almatic GmbH, Fujimi Inc., Carborundum Universal Ltd. and Jason Inc.

Increasing inflation in India is depleting the purchasing power of parties and is intensifying the cost of living. There is also upward pressure on other costs such as transportation, supplies, equipment and other expenses, and an inability to manage costs or pass increased costs onto parties will lead to compressed returns.

INDEPENDENT AUDITOR'S REPORT

To The Members of John Oakey and Mohan Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of John Oakey and Mohan Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the financial statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023 its Loss, Total Comprehensive Income, Changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Management & Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements may arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March 2023 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March 2023 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such control, refer to our separate Report in “Annexure A”.

g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act read with Schedule V of the Companies Act, 2013.

h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 33 to the financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the

Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(é), as provided under (a) and (b) above, contain any material mis-statement.

(d) The company has not declared or proposed any dividend for the year, and therefore, Rule 11(f) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) of the Independent Auditors' Report of even date to the members of **JOHN OAKEY AND MOHAN LIMITED** on the financial statements for the year ended 31st March 2023

Independent Auditors' Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

1. We have audited the internal financial controls over financial reporting of **JOHN OAKEY AND MOHAN LIMITED** ("the Company") as of 31st March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether

OFFICES AT PATNA, NOIDA, BHIWADI (RAJASTHAN), GURUGRAM (HARYANA)

adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Audit Opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal

financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of John Oakey and Mohan Limited of even date)

i	a	(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment. (B) The Company has maintained proper records showing full particulars of intangible assets.
	b	The Property, Plant and Equipment were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the Property, Plant and Equipment at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
	c	According to the information and explanations given to us and the records examined by us, we report that immovable properties being buildings are held in the name of the Company as at the balance sheet date.
	d	The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
	E	No proceedings have been initiated during the year or are pending against the Company as at 31 st March 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
ii	a	As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its business. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with the book of account.
	b	According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets. Hence, reporting on the quarterly returns or statements filed by the Company with such banks or financial institutions is not applicable.
iii		The Company has not made any investment in, provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, and hence reporting under clause (iii) of the Order is not applicable.
iv		In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
v		According to the information and explanations given to us, the Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
vi		The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
vii		According to the information and explanations given to us and the records of the Company

		<p>examined by us, in our opinion,</p> <p>The Company has generally been regular in depositing undisputed statutory dues, including Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, customs duty, excise duty, Value Added Tax, Cess and other material statutory dues as applicable to it with the appropriate authorities though there have been slight delays in few cases.</p>												
	a	There were no undisputed amounts payable in respect of Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Customs duty, Excise duty, Value Added Tax, Cess and other material statutory dues in arrears as at 31 st March, 2023 for a period of more than six months from the date they became payable.												
	b	<p>According to the information and explanations given to us, there are no statutory dues in respect of sub-clause (a) above which have not been deposited on account of any disputes as on 31st March, 2023, except for the following :</p> <table border="1"> <thead> <tr> <th>Name of the statute</th> <th>Nature of dues</th> <th>Forum where dispute is pending</th> <th>Period to which the amount is related</th> <th>Amount involved</th> <th>Amount paid under protest</th> </tr> </thead> <tbody> <tr> <td>Sales tax Laws</td> <td>Entry Tax</td> <td>High Court</td> <td>2011-12</td> <td>Rs. 4.65 Lakh</td> <td>NIL</td> </tr> </tbody> </table>	Name of the statute	Nature of dues	Forum where dispute is pending	Period to which the amount is related	Amount involved	Amount paid under protest	Sales tax Laws	Entry Tax	High Court	2011-12	Rs. 4.65 Lakh	NIL
Name of the statute	Nature of dues	Forum where dispute is pending	Period to which the amount is related	Amount involved	Amount paid under protest									
Sales tax Laws	Entry Tax	High Court	2011-12	Rs. 4.65 Lakh	NIL									
viii		There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).												
ix	a	In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.												
	b	According to information and explanations given to us and on the basis of our audit procedures, we report that the company has not been declared willful defaulter by any bank or financial institution or government or any government authority.												
	c	According to the records of the Company examined by us and the information and explanation given to us during the year no term loan was taken by the company.												
	d	On an overall examination of the financial statements of the Company, no funds were raised on short- term basis during the year and have, prima facie, not been used for long-term purposes during the year by the Company.												
	e	The Company did not have any subsidiary or associate or joint venture during the year and hence,												
	f	reporting under clause (ix) (e) & (ix) (f) of the Order is not applicable.												
x	a	The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x) (a) of the Order is not applicable.												
	b	During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x) (b) of the Order is not applicable.												
xi	a	Based on examination of the books and records of the company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of the audit.												
	b	According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.												
	c	As represented to us by the management, there are no whistle blower complaints received by the												

		company during the year.
xii		The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.
xiii		In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards. (Refer Note No. 38 of the financial Statements)
xiv	a	In our opinion, the company has an adequate internal audit system commensurate with the size and nature of its business.
	b	We have considered the reports of the internal auditors for the period under audit.
xv		In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors, hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
xvi	a b c	In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
	d	In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi) (d) of the Order is not applicable.
xvii		The Company has incurred cash losses amounting to Rs. 49.65 Lakhs during the current financial year. There were no cash losses in the immediately preceding financial year.
xviii		There has been no resignation of the statutory auditors of the Company during the year.
xix		On the basis of financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists at the date of the balance sheet indicating that the Company is not capable of meeting its liabilities existing at the date of the balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any assurance that all liabilities falling due within a period of one year from the balance sheet date, would get discharged by the Company as and when they fall due.
xx		The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of sec 135 of the Act are not applicable to the company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

The Company's borrowings have been contracted at floating rates of interest, which resets at short intervals. Accordingly, the carrying value of such borrowings (including interest accrued but not due) approximates fair value.

* The carrying amounts of trade receivables, trade payables, cash and cash equivalents, investments bank balances other than cash and cash equivalents and other financial assets and liabilities, approximates the fair values, due to their short-term nature. The other non-current financial assets represents security deposits given to various parties, loans and advances to employees and bank deposits (due for maturity after twelve months from the reporting date), and other non-current financial liabilities, the carrying value of which approximates the fair values as on the reporting date.

Fair Value hierarchy

- Level 1 : Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market.
- Level 2: Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly.
- Level 3: Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are unquoted equity instruments.

Valuation processes

The fair value of unquoted equity instruments or equity instruments where market data is not available is determined on the basis of best available information

b. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk - Interest rate
- Price risk - BSE / NSE Index

Risk management framework

Financial risk management within the Company is governed by policies and guidelines approved by the senior management and the Board of Directors. These policies and guidelines cover interest rate risk, credit risk and liquidity risk. Company policies and guidelines also cover areas such as cash management, investment of excess funds and the raising of short and long-term debt. Review of the financial risk is done regularly by the senior management and the Board of Directors.

(i) Credit risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Balance Sheet:

(All amounts in Rs. Lakhs unless stated otherwise)

Particulars	Note Reference	(All amounts in Rs. Lakhs unless stated otherwise)	
		As at March 31, 2023	As at March 31, 2022
Trade receivables	9	380.78	407.09

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with scheduled banks.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Maximum Trade receivables are unsecured and are derived from revenue earned from customers primarily located in India. The Company manages its credit risk through continuous monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivable. The management uses a simplified approach (i.e. based on lifetime ECL) for the purpose of impairment loss allowance. However the Company based upon historical experience determines an impairment allowance for loss on receivables.

The Company's exposure to credit risk for trade receivables is as follows:

(All amounts in Rs. Lakhs unless stated otherwise)

Particulars	Gross carrying amount	
	As at March 31, 2023	As at March 31, 2022
	Not due	130.64

180 to 365 days past due	50.35	10.61
More than 365 days past due	139.54	138.50
	489.31	497.71

The Company continuously reviews the credit given and the recoverability of the amounts due. Majority of trade receivables are from the customers with whom the Company has long outstanding satisfactory dealings.

(ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's liquidity management process as monitored by management, includes day to day funding, managed by monitoring cash flows to ensure that requirements is met.

(iii) Market risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The Company's operations are mainly in India and therefore rupee denominated, except import of some raw materials and stores.

Currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

Exposure to currency risk

The Company did not have any exposure to currency risk, as expressed in Indian Rupees, as at March 31, 2023 and March 31, 2022.

JOHN OAKEY AND MOHAN LIMITED**Notes to Financial Statements****Note No 41****Capital management**

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the company. The primary objective of the management of the Company's capital structure is to maintain an efficient mix of debt and equity in order to achieve a low cost of capital, while taking into account the desirability of retaining financial flexibility to pursue business opportunities and adequate access to liquidity to mitigate the effect of unforeseen events on cash flows.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may return capital to shareholders, raise new debt or issue new shares.

The Company monitors capital on the basis of the debt to capital ratio, which is calculated as interest-bearing debts divided by total capital (equity attributable to owners of the company plus interest-bearing debts).

John Oakey and Mohan Limited

Notes to the Financial Statements for the year ended March 31, 2023

1. Corporate Information

John Oakey and Mohan Limited ("The Company") is a public limited company incorporated in India, listed on the Metropolitan Stock Exchange. The registered office of the Company is situated at Office No. 4, First Floor, C.S.C. Pocket E Market, Mayur Vihar Phase II, Delhi-110091.

The Company is engaged in the single primary business of manufacturing and sale of "Coated Abrasives", and has only one reportable segment.

The financial statements for the year ended March 31, 2023 are authorised and approved for issue by the Board of Directors on May 30, 2023.

2. Significant accounting policies

2.1 Statement of compliance

The financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions of the Act.

2.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

Based on the nature of products and the normal time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle.
- It is held primarily for the purpose of being traded,
- It is expected to be realized within 12 months after the reporting date, or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria :

- It is expected to be settled in the company's normal operating cycle;
- It is held primarily for the purpose of being traded,

- It is due to be settled within 12 months after the reporting date.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.3 Use of estimates and judgements

The preparation of these financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented.

Actual results may differ from these estimated. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected. In particular, information about significant areas of estimation/ uncertainty and judgements in applying accounting policies that have the most significant effects on the financial statements are included in the following notes:

- Recognition and estimation of tax expense including deferred tax- Note 6 & 30
- Estimation of obligations relating to employee benefits: key actuarial assumptions- Note 2.7
- Valuation of Inventories – Note 2.12
- Fair Value Measurement of financials instruments – Note 2.14

2.4 Revenue recognition

2.4.1 Measurement of revenue

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentive schemes, if any, as per contracts with customers. Taxes collected from customers on behalf of Government are not treated as Revenue.

2.4.2 Sales of goods

Revenue from sale of goods is recognised when the company satisfies its performance obligation by transferring goods to the customer i.e. when the customer obtains control of the goods.

2.4.3 Variable consideration

If consideration in a contract includes a variable amount, the Company estimates amount of consideration to which it will be entitled in exchange for transferring the goods to customer. Variable Consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in amount of cumulative revenue recognised will

not occur when associated uncertainty with variable consideration is subsequently resolved. Some contracts for sale of manufactured goods provide customers with a right of Incentives & Discounts. The Incentives and Volume Rebates give rise to variable consideration.

- i. **Cash Discount** which are determinable on the date of transaction, are recognised as reduction of revenue by the company.
- ii. **Volume Discounts:** The Company provides retrospective volume discounts to certain customers once the quantity of products purchased during the period exceed a threshold specified in the contract.

In such cases, the Company estimates fair value of Incentives promised to its customers. To estimate the variable consideration for the expected future rebates and discounts, the Company applies the expected value method. The Company estimates variable consideration and recognises a refund liability for the expected future rebates. Accordingly, the company recognises lesser revenue if such discounts are probable and the amount is determinable. Any subsequent changes in the amount of such estimates are transferred to statement of profit and loss.

2.4.4 Dividend and interest income

Dividend income from investments is recognised when the shareholders' right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised using the effective interest rate method.

2.5 Leases

As a lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined company's incremental borrowing rate.

Short term leases and lease of low value assets

The company has elected not to recognise right-of-use assets and lease liabilities for short-term leases of real estate properties that have a lease term upto 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

All amounts are in Rupees lakhs with two decimal points rounded off to the nearest thousands, unless otherwise stated.

Foreign Currency Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

2.7 Employee benefits

2.7.1 Short-term obligations

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled within the operating cycle after the end of the period in which the employees render the related services are recognised in the period in which the related services are rendered and are measured at the undiscounted amount expected to be paid.

2.7.2 Defined Contribution Plans

Company's contribution paid/payable during the year to provident fund and employee state insurance are recognized as an employee benefit expense in the statement of profit and loss. For the Provident Fund Trust administered by the Company, a shortfall in the size of the fund maintained by the trust is additionally provided for in the statement of profit and loss.

2.7.3 Defined benefit plans

The liability recognized in respect of gratuity is the present value of defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuary using the Projected Unit Credit Method. Re-measurement comprising actuarial gains and losses and return on plan assets (excluding net interest) are recognized in the Other Comprehensive Income for the period in which they occur and are not reclassified to profit or loss.

2.7.4 Compensated absences

Liabilities for leave encashment and compensated absences which are not expected to be settled wholly within the operating cycle after the end of the period in which the employees render the related service are measured at the present value of the estimated future cash outflows which is expected to be paid using the projected unit credit method. Actuarial gains and losses are recognised in statement of profit or loss in which they occur.

2.8 Income-taxes

Income tax expense represents the sum of the tax currently payable and includes deferred tax. The Income-tax liability is provided in accordance with the provisions of the Income-tax Act, 1961.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Income Taxes are calculated using Balance Sheet Approach, on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are also recognised in other comprehensive income or directly in equity respectively.

2.9 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost of Property, plant and Equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on

making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the written-down value method over their estimated useful lives prescribed in Schedule II of the Companies Act, 2013 except for assets costing Rs.5,000 or less, which are depreciated fully in the year of purchase. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its residual value.

The following useful lives are applied:

Asset category	Estimated useful life (in years)
Buildings	
-Freehold Factory Buildings	30 Years
Plant and Equipments	15 Years
Furniture and Fittings	10 Years
Motor Vehicles	08 Years
Office Equipment and Electrical Installation	3-5 Years

2.10 Intangible assets

Intangible assets are stated at cost less accumulated amortization and accumulated impairment loss, if any. Amortization of intangibles comprising of software is provided on straight line basis over 4 years being its estimated useful life.

2.11 Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

2.12 Inventories

Inventories are valued at the lower of cost and net realisable value. The cost is determined as under:

Stores and Spares – First in First Out

Raw materials and stock in trade: Yearly weighted average

Finished Goods and Work in progress: The cost of finished goods and work in progress comprises raw materials, direct labour, other direct costs and appropriate proportion of variable and fixed overhead expenditure.

Cost of inventories also includes all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2.13 Provisions and contingencies

Provisions:

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessment of the time value of money and the risks specific to the liability.

Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.14 Financial instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

- The objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test : the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test : the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.
- Cash flow characteristic test : the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets carried at fair value through other comprehensive income (FVTOCI): The Company has equity investments in certain entities which are not held for trading. The Company has elected the fair value through other comprehensive income irrevocable option for all such investments. Dividend on these investments are recognised in profit or loss.

Financial assets carried at fair value through profit or loss (FVTPL): Investment in equity instrument are classified at fair value through profit or loss, unless the Company irrevocably

elects on initial recognition to present subsequent changes in fair value in other Comprehensive Income for investments in equity instruments which are not held for trading.

Financial assets that do not meet the amortised cost criteria or fair value through other comprehensive income criteria are measured at fair value through profit or loss. A financial asset that meets the amortised cost criteria or fair value through other comprehensive income criteria may be designated as at fair value through profit or loss upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets and liabilities or recognising the gains or losses on them on different bases.

Financial assets which are fair valued through profit or loss are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit or loss.

FINANCIAL LIABILITIES

Financial liabilities are classified at initial recognition as financial liabilities at fair value through profit or loss, loans and borrowings, and payables, net of directly attributable transaction costs. The Company's financial liabilities include loans and borrowings including bank overdraft, security deposit received, trade payable, liabilities towards services and other payables.

All Financial Liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the Financial Liabilities is also adjusted. Financial Liabilities are classified as amortised cost.

A Financial Liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. Consequently write back of unsettled credit balances is done on the previous experience of the management and actual facts of each case and recognised in Other Income. When an existing Financial Liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such as exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.15 Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment. The Company follows 'Simplified Approach' for recognition of impairment loss allowance on trade receivables. The application of simplified Approach recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

2.16 Cash and cash equivalents

Cash and cash equivalents includes cash in hand, cheques and drafts in hand, balances with bank and deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.17 Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss for the financial assets which are not measured at fair value through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime expected credit loss.

2.18 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM).

In accordance with Ind AS 108 – “Operating Segments”, the operating segments used to present segment information are identified on the basis of internal reports used by the Company’s Management to allocate resources to the segments and assess their performance. The Managing Director of the Company is the Company’s ‘Chief Operating Decision Maker’ or ‘CODM’ within the meaning of Ind AS 108. Based on CODM evaluation, the Company is engaged in the single primary business of manufacturing and sale of ‘Coated Abrasives’.

2.19 Earning Per Share

Basic earning per share is computed by dividing the net income by the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of shares and diluted potential shares, except where the result would be anti-dilutive.

2.20 Dividends

Final dividends on shares are recorded on the date of approval by the shareholders of the Company.

2.21 Exceptional Items

Exceptional items are transactions which due to their size or incidence are separately disclosed to enable a full understanding of the Company’s financial performance. Items which may be considered exceptional are significant restructuring charges and significant disposal of fixed assets.

2.22 Recent Pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.
